FY 2015**

PROGRAMS/PROJECTS/ ACTIVITIES	GOALS/ OBJECTIVES	PROJECT/ACTIVITY DESCRIPTION	TARGET OUTPUT	BENEFICIARY(IES)
1.2 IT Support - Updating of database in-house publications		Updating both the content and issues of in-house publications	Updating the in-house publications	Library users, researchers and other DOST officials and employees; the paying subscribers and clients
2. Science & Technology Academic and Research-Based Openly-Operated Kiosks (STARBOOKS)	To maximize the use of S&T materials maintained at the STII Library by making them available to the general public.	DOST-STARBOOKS "The Philippines' First Digital Science Library" contains hundreds of thousands of digitized science and technology resources in various formats (text and video/audio) placed in specially design "pods" set in a user-friendly interface which intend to serve as information access portals in key areas in the Philippines.	STARBOOKS or "Library in a Box" aims to assist in: 1. Sustaining Literacy – provides digitized information to develop and maintain literacy on a cost effective basis for an entire community; and 2. Poverty Alleviation – imparts practical information that can encourage development and acquisition of new skills for employment, entrepreneurship, and other means of livelihood in order to uplift the people's quality of life and alleviate poverty.	General public i.e. students, policymakers, planners, implementers, teachers and other professionals, researchers in government and private industries, and the community.
PROGRAM 2 IMPLEMENTATION OF SCIENCE AND TECHNOLOGY PROMOTION AND ADVOCACY PROGRAM 1. Promotions and Publicity 1.1 Information Packaging (Regular S&T Publications) - S&T Post - Phil. Journal of Science - Balitang RapiDOST - DOST Digest - Annual Report - Other Information Packages	Bring S&T information to various audiences for specific purposes. Increase awareness and appreciation of S&T developments in the country.	S&T publications produced by STII for DOST system, partner institutions, science community, academe, policy makers and the general public.	4 issues of S&T Post for the year 5,000 copies/issue 2 issues of PJS for the year 500 copies/issue 12 issues of RapiDOST for the year 3,000 copies/issue 12 issues of DOST Digest for the year 3,000 copies/issue 1 issue of Annual Report for the year 300 copies/issue	Entire DOST system; researchers, state colleges, universities, policy makers and local government units who are all recipient and subscribers of the publications
