

**BAC Resolution for the Awarding of the Project,
“DOST Institutional Video”
Resolution No. 2017-025**

WHEREAS, the SCIENCE AND TECHNOLOGY INFORMATION INSTITUTE advertised the Request for Quotation (RFQ) under 53.9 (Negotiated Procurement – Small Value Procurement) of R.A. 9184 for the project, “**DOST Institutional Video**” at the G-EPS website for three (3) days;

WHEREAS, in response to the said advertisement, three (3) bidders submitted their bid proposal;

WHEREAS, the STII-BAC found the bid of **SWARA SUG Media Corporation** the lowest bid as read;

WHEREAS, the TWG for Audio Visual and Equipment evaluated the submitted bid proposals and found out that **SWARA SUG Media Corporation** sample works having newsy, urgent style or approach of narrating stories which is familiar to flash reports and coverage materials. The TWG had a chance to meet with the representative of **SWARA SUG Media Corporation** who has been commissioned to do the Philippine Journal of Science (PJS) video and found out that it did not offer much in terms of presenting creative inputs and the script which they are to prepare for PJS must also be pre-written for them first by an STII staff;

WHEREAS, the TWG for Audio Visual and Equipment evaluated the bid of the 2nd lowest bidder, **Imax Productions Inc.** This production outfit has consistently produced AVPs for NSTW during the past 3 years and can work with least supervision from client. They produced last year’s NSTW Thematic AVP which upheld the brand of DOST and earned the approval of the Regional Offices;

WHEREAS, the TWG for Audio Visual and Equipment finds the bid proposal of **Imax Productions Inc.** as the most responsive bid and hereby recommends for the awarding of contract to the said bidder;

NOW, THEREFORE, We the Members of the Bids and Awards Committee (BAC), hereby RESOLVE as it is hereby RESOLVED to request the BAC Secretariat to prepare the Notice of Award (NOA) and Notice to Proceed (NTP) to **Imax Productions Inc.**
